Tractor Pull Rules and Regulations

1. **# OF HOOKS:** Each tractor registered in the pull can pull 1 time per weight class and a maximum of 2 pulls. The maximum number of pulls could be increased during the drivers meeting depending on tractor turnout. One restart will be allowed per pull. (Has to be less than 75 feet.)
2. **SPEED:** Maximum speed limit of **3 mph** for classic classes and **6 mph** for farm stock classes.
3. **RPM'S:** Working governors are required. Governors must maintain no more than 10% over stock RPM's. Judges will test governors if necessary. Judges will make the final decision.
4. **WEIGHT:** All tractors must be weighed first at lowest weight class pulling in and immediately before they pull. There is no over weight allowance. 4000 means a maximum of 4000.
5. **HITCHES:** Drawbar length must be a minimum of 18 inches from center of axle to pulling point. Maximum of 20 inches high at pulling point. Pull hitch with a 3" opening or a clevis is required. Vertical hitches will be measured to pulling point determined by judges. Hook chain must not touch any other part of tractor(No hooking over a drawbar).
6. **TIRES:** No tractors with cut tires, duals, or 4-wheel drive allowed. Radials allowed in farm stock classes only.
7. **TURBOS:** No turbos allowed.
8. **TORQUE CONVERTER:** Any tractor manufactured with a torque converter (i.e., TA on a Farmall) is allowed to use the torque converter once per hook in the classic classes. There is no restriction on the farm stock classes.
9. **SAFETY:** All drivers must attend the driver's safety meeting that will be held before the tractor pull starts. Drivers must be 18 years of age or parental approval is required. No drinking of alcohol before or during the pull or drivers will be disqualified. When hooking up to the sled, tractor must be in neutral and the driver's foot must be off the clutch. All drivers must stay on tractor seat during their pull. Wheelie bars and kill switches (brake away switches) are suggested. Any piece, part or weight that falls off of tractor during its pull will result in immediate disqualification.
10. Side panels on any tractors in the pull must be available to be opened.
11. **NO REFUND** of registration fee if Puller is disqualified.
12. Un-sportsman like conduct will not be tolerated.
13. **All judges decisions are FINAL.**
